

Alpha Eta Mu Beta

NATIONAL BIOMEDICAL ENGINEERING HONOR SOCIETY

2012 Alpha Eta Mu Beta National Student Officer Nomination Packet

Part 1: A note from the Nominating Committee.

Dear Potential Student Candidate,

The national AEMB society is accepting nominations for officers for the upcoming election to be held at the AEMB National Convention held in conjunction with the national BMES conference in Atlanta, GA, October 25th, 2012. Terms for all national offices are for two years. The decision to run for a national office should not be taken lightly. It is both an honor and a privilege to hold a national student office in AEMB. Serving as a national officer offers many rewarding and meaningful experiences. It will help you to develop critical leadership and management skills, grow both professionally and personally, and establish a strong network of friends and colleagues. National student officers are crucial for forming a strong leadership base, and for governance of the society. As a national officer, you are not only a role model in scholarship, but also in character, leadership and temperance. If you are ready to take your AEMB experience to the next level then complete this packet and email it to elections@alphaetamubeta.org no later than the 20th of September 2012. For descriptions of each of the national officer positions, please consult the constitution, available on the national website (<http://tiny.cc/dqwrhw>). If you are nominating someone other than yourself, please have them send us the name and email and we will contact them to tell them that they were nominated and ask if they accept the nomination. Elections will be held at our Annual Meeting on the 25th of October at 9.30am in room A310 at the Georgia World Congress Center. All candidates are expected to attend this meeting.
