

Biostatistics Student Association Presents:

Candy Wrapper Brigade®

TerraCycle's goal is to help eliminate the idea of waste. We do this by creating collection and solution programs for all kinds of typically non-recyclable waste.

The BSA has signed up to collect candy wrapper to support their cause.

The following types of wrappers are accepted:

- Individual candy wrappers
- Large candy bags
- Multi-pack candy bags

Each wrapper earns us \$.02 to donate to charity!
