INAUGURAL SEMINAR!!!**

Friday, December 9th, 2005

3:00-4:30pm

LSEB 804 (8th floor conference room)

Light refreshments will be provided

Introduction & Opening Remarks

Professor Guilford Jones, Department Chair

“The Academic Journey”

Professor Rosina Georgiadis

Boston University Chemistry Department

Professor Georgiadis will talk about her personal experiences, choices and path to academic science and the people (many of them scientists) who have been important along the way. She will also discuss the rewards, challenges and perceptions of academic life (before and after tenure) and will welcome questions before, during and after the talk.

Boston University Women In Chemistry
