

Chemistry Faculty & Research News

By Katinka Csigi

7/14/10

- **Deborah Perlstein Joins Chemistry Faculty**
<http://www.bu.edu/chemistry/2010/07/14/perlstein-joins-chemistry-faculty/>
- **Adrian Whitty Team Awarded \$2.7M NIH Grant to Develop New Approaches for Targeting Protein-Protein Interactions with Synthetic Organic Drugs**
<http://www.bu.edu/chemistry/2010/07/14/whitty-team-awarded-nih-grant-develop-new-approaches-for-targeting-protein-protein-interactions-with-synthetic-organic-drugs/>
- **Chemistry Faculty Receive BU Ignition Awards to Develop Promising Cancer & Tuberculosis Drugs**
<http://www.bu.edu/chemistry/2010/07/12/chemistry-faculty-receive-bu-ignition-awards-to-develop-promising-cancer-and-tuberculosis-drugs/>
- **Tom Tullius Profiled in *The Scientist: Radical Thinking***
<http://www.bu.edu/chemistry/2010/07/09/tom-tullius-and-his-research-profiled-in-the-scientist/>
- **Sean Elliott Receives Inaugural Scialog Award**
<http://www.bu.edu/chemistry/2010/07/08/elliott-receives-inaugural-scialog-award/>
- **John Straub Named Associate Editor of Journal of Chemical Physics (JCP)**
<http://www.bu.edu/chemistry/2010/06/20/straub-named-associate-editor-of-jcp/>
