

CURRICULUM VITAE

RANDALL P. ELLIS

August 12, 2024

Department of Economics
Boston University
270 Bay State Road
Boston, MA 02215 USA

TEL: (617) 353-2741
FAX: (617) 353-4449
EMAIL: ellisrp @ bu.edu
WEB: <http://blogs.bu.edu/ellisrp/>

EDUCATION

- 1981 Ph.D., Massachusetts Institute of Technology, in economics
major fields: industrial organization and econometrics
minor fields: economic history and fiscal economics
thesis title: "Electric Utility Pricing and Investment Decisions Under Uncertainty"
Supervisors: Paul Joskow and Richard Schmalensee
- 1977 M.Sc., London School of Economics and Political Science, London UK, in economics
major field: public finance
- 1976 B.A., Yale University, in economics
Senior thesis: "The Economic Consequences of Poor Nuclear
Power Plant Operating Reliability"

ACADEMIC EXPERIENCE

- 1995-present Professor, Department of Economics, Boston University
- 2024, March Honorary Professor, Macquarie University, Sydney Australia
- 2004-2010 Adjunct Professor, Centre for Health Economics Research and Evaluation,
University of Technology Sydney, Australia
- 2008-2010 Associate Chair, Department of Economics, Boston University
- 1989-1995 Associate Professor, Department of Economics, Boston University
- 1981-1989 Assistant Professor, Department of Economics, Boston University
- 1979-1981 Instructor, M.I.T.

Undergraduate courses taught

Introduction to Health Economics
Principles of Microeconomics
Intermediate Microeconomics
Introduction to Econometrics

Graduate courses taught

Health Economics 1 (Ph.D. level)
Health Economics 2 (Ph.D. level)
Health Economics of Developing Countries (Masters'. and Ph.D. level)
Advanced Microeconomic Theory (Ph.D. level)
Advanced Microeconomic Theory (masters' level)
Advanced Statistics (Ph.D. level)
Statistics for Economists (Master's level)
Math for Economists (Master's level)
Economics of Energy and the Environment (Master's level)
Welfare Economics (Ph.D. level)
Joint BU/Harvard/MIT Health Economics Seminar

OTHER EXPERIENCE

2024, fall Visiting professor, Department of Health Law, Policy, and Management, Boston University School of Public Health

2010-present Member and US country coordinator, Risk Adjustment Network

1989-2021 Research Associate, African Studies Center, Boston U.

2019-2020 Co-Editor of Special Issue "Incentive and Market Perspectives in Health Care," International Journal of Environmental Research and Public Health

2018-2019 Chair, Risk Adjustment Network (RAN)

2019, Sept Co-chair, RAN Annual conference, Portland ME.

2018, spring Visiting professor, Department of Economics and CRES, University of Pompeu Fabra, Barcelona, Spain

2017, fall Visiting professor, Boston College

2017 Local Organizing Committee Co-Chair, International Health Economics Association, World Congress, Boston MA

2014-2020 Scientific Advisory Board, Hospital Innovation Economics, Paris School of Economics, Paris, France.

2013-2021 Associate Editor, American Journal of Health Economics

1989-2020 Associate Editor, Journal of Health Economics

2005-2014 Board of Directors, American Society for Health Economists (ASHEcon)

2006-2013 Editorial Board, Berkeley Economic Journals in Economic Analysis and Policy

2010-2012 President, American Society of Health Economists (ASHEcon)

2008-2010 President-Elect and conference program chair, American Society for Health Economists (ASHEcon)

1998-2012 Senior Scientist, Verisk Health Inc. (formerly DxCG Inc.) Waltham, MA

2011, spring Visiting Professor, School of Economics, University of New South Wales, Sydney, Australia

2011, spring Visiting Professor, University of Technology Sydney (UTS), Centre for Health Economics Research and Evaluation (CHERE), Sydney, Australia

2010, fall Visiting Professor, Department of Health Care Policy, Harvard Medical School

2002-2008 Member, iHEA Arrow Award Committee choosing best paper published in health economics

2004-2007 Board of Directors, International Health Economics Association (iHEA)

2004, spring Visiting professor, University of Technology Sydney, Centre for Health Economics Research and Evaluation (CHERE), Sydney, Australia

2003, fall Visiting Professor, Department of Health Care Policy, Harvard Medical School

1995-2000 Senior Economist, Health Economics Research, Waltham, MA

1997, spring Visiting Professor, Department of Health Care Policy, Harvard Medical School

1996, fall Visiting Scholar, Institute on Economic Growth, New Delhi, India

1996-1997 President, DxCG, Inc., Waltham MA

1988-1995 Consultant, Health Economics Research, Waltham, MA

1994 Consultant, International Health Policy Program, Accra, Ghana

1990-1994 Reviewer, Agency for Health Care Policy and Research, Health Services Research Committee

1994 Consultant, Abt Associates, on USAID Niger health demand study

1993-1994 Consultant, Abt Associates, on USAID project modeling the physician allocation of time in India

1992 Consultant, The World Bank, Human Resource Sector Review Mission, Kyrgyzstan

1992-1993 Consultant, Abt Associates, on USAID project modeling the demand for health services in Giza, Egypt

1992 Consultant, Abt Associates, on USAID funded Health Care Financing and Sustainability (HFS) Phase I Project examining Private-Public Interactions in Developing Countries

1991 Consultant, The World Bank, International Comparison of Health Financing and Delivery Systems in Developed Countries

1990, spring Visiting Scholar, University of California-Berkeley

1989 Consultant, USAID - Nairobi, Kenya, through John Snow, Inc.

1989 Consultant, The World Bank. Adult Ill Health

1987-1989 Research Associate, Center for Applied Social Sciences

1986-1989 Senior Economist, Health Data Institute, Lexington, MA

1984-1986 Economist, Health Data Institute, Lexington, MA

1984 Consultant, USAID - Cairo

1982 Consultant, U.S. State Department

1979 Research Assistant, M.I.T. Energy Lab, Prof. Martin B. Zimmerman

1979 Research Assistant, M.I.T. Energy Lab, Prof. Richard Schmalensee

1978 Research Fellow, Federal Reserve Bank of Boston, Richard Syron

1976 Research Assistant, First National Bank of Boston, Dr. James Howell

1975 Research Assistant, Massachusetts Energy Policy Office; Dr. Henry Lee

1974 Intern, New England Congressional Caucus, Wash. DC

20. "Risk Adjusted Payment Models for the Non-Elderly" A. Ash, PI; R. Ellis, Co-P.I., Health Care Financing Administration, 9/27/94-8/31/98, \$802,651.
21. "Health Plan Responses to Medicare HMO Premium Payments" R. Ellis P.I. Agency For HealthCare Research and Quality, 9/1/00-8/30/03, \$261,026.

22. "The Dynamics of Insurance Decisions, Industry Structure and Job Turnover" R. Ellis PI, a project funded as part of the Economic Research Initiative on the Uninsured", through University of Michigan, by the Robert Wood Johnson Foundation. 8/1/03-7/31/04. \$126,214.
23. "Project in support of German risk adjustment and service specific modeling." R. Ellis PI, Two projects funded by the German Medical Association (KBV) German Health Payment Commission, and DxCG, Inc. 10/1/04-9/30/07. \$139,460.
24. "Predicting Spending by Provider Specialty and Type of Service," R. Ellis PI, Project funded by DxCG, Inc. 9/1/2006-8/31/2007. \$39,989.
25. "Primary Care Payment Systems: feasible systems for rewarding providers for prevention and efficiency"; R. Ellis PI, Project funded by DxCG, Inc. 9/1/2007-8/31/2010. \$238,108.
26. "Developing a Risk Adjustment Model for Paying Patient-Centered Medical Home Practices" A Ash PI,R Ellis Co-PI. Project funded by The Commonwealth Fund, 12/1/2009-11/30/2011, \$329,000.
27. "Primary Care Payment System Design Issues" R. Ellis PI, Project funded by Verisk Health, Inc. 9/1/2010-8/31/2015. \$527,517.
28. "Using Risk Adjustment to Predict Within-and Across-Year Utilization and Disease Patterns" R. Ellis PI. Project funded by Verisk Health, Inc. 9/1/2015-2/27/2016, \$ 103,550.
29. "Advanced Risk Adjusters and Predictive Formulas for ICD-10 Based Risk Adjustment." R. Ellis, PI. Agency for HealthCare Research and Quality (AHRQ), 9/4/2018-6/30/2021, \$1,181,442.
30. "Systemic Bias Self-Assessment." Linh Tô (PI), Patricia Cortes, and R. Ellis, (Co-PIs) Social Science Research Council. 9/1/2023-12/31/2024 \$197,764.

ACADEMIC PRESENTATIONS

July 2024	Modern Methods for Creating HealthCare Risk Adjusted Payment Formulas, Association of Health Economics of Chile (AES Chile) , National Health Fund of Chile (FONAS), and Medical Association of Chile (Virtual).
May 2024	A Novel Machine Learning Algorithm for Creating Risk-adjusted Payment Formulas, Stanford University , (Virtual).
March, 2024	A Novel Machine Learning Algorithm for Creating Risk-adjusted Payment Formulas, University of Newcastle , Sydney Australia.
March, 2024	Systemic sexism, racism and nationality bias in US Academic Economics Departments, Macquarie University , Sydney Australia.
March, 2024	A Novel Machine Learning Algorithm for Creating Risk-adjusted Payment Formulas, Macquarie University , Sydney Australia.
November, 2023	The Role of Incentives at the Design Stage of Risk Adjusters: Do's and Don'ts. International Symposium on Risk Equalization and the Role of Efficiency , The Hague, Netherlands
November 2023	Evaluating the DXI-DCG Model for Different Outcomes, Risk Adjustment Network . The Hague, Netherlands.
May, 2023	A Novel Machine Learning Algorithm for Creating Risk-adjusted Payment Formulas, Boston University , School of Public Health.
April, 2023	A Novel Machine Learning Algorithm for Creating Risk-adjusted Payment Formulas, Boston University , Empirical Micro Workshop.
March, 2023	A Novel Machine Learning Algorithm for Creating Risk-adjusted Payment Formulas, Rutgers University , New Brunswick NJ.
September, 2022	DXI Software for ICD10 Risk Adjustment: Software Pitfalls, Solutions and Results, Risk Adjustment Network . Berlin Germany.

- July, 2022 New Developments in Risk Adjustment: Creating incentives for cost control, quality, and fairness. **European Health Economics Association**, Oslo, Norway.
- April, 2022 How might universal managed competition work for the US? **Risk Adjustment Network**, (Virtual)
- September, 2021 Diagnostic Items: A New Framework for Disease Surveillance, Prediction, and Risk Adjustment. **Risk Adjustment Network**. Weggis Switzerland.
- September, 2021 Incorporating Acuity, Laterality, Timing, and Other Diagnostic Modifiers into Risk Adjustment Formulas. **Risk Adjustment Network**. Weggis Switzerland.
- June, 2021 Diagnostic Items: A New Framework for Disease Surveillance, Prediction, and Risk Adjustment. **American Society of Health Economics**. (Virtual)
- July, 2021 Diagnostic Items: A New Framework for Disease Surveillance, Prediction, and Risk Adjustment. **International Health Economics Association**. (Virtual)
- January, 2021 Diagnostic Items: A New Framework for Disease Surveillance, Prediction, and Risk Adjustment. **Paris School of Economics**, Hospinnomics. (Virtual)
- June, 2020 Individuals, Children, Aged 55+, Risk-Equalization, and Equity (ICARE): A Feasible US Transition to a Better Insurance System. **American Society of Health Economics**. (Virtual)
- February 2020 Individuals, Children, Aged 55+, Risk-Equalization, and Equity (ICARE): A Feasible US Transition to a Better Insurance System. **Harvard Medical School, Department of Health Care Policy**.
- October, 2019 Diagnostic Category Prevalence and the Transition to ICD-10-CM. **Agency for Healthcare Research and Quality (AHRQ)**, Washington DC.
- September, 2019 Diagnostic Category Prevalence and the Transition to ICD-10-CM. **Risk Adjustment Network**, Annual conference, Portland ME
- September, 2019 Diagnostic Items: A New Framework for Disease Surveillance, Prediction and Risk Adjustment. **Risk Adjustment Network**, Annual conference, Portland ME
- March, 2019 Movie Theatre Popcorn Pricing, the Physician's Hippocratic Oath, and Health Care Innovation. **KU Leuven**, Leuven Belgium.
- March, 2019 Movie Theatre Popcorn Pricing, the Physician's Hippocratic Oath, and Health Care Innovation. **Harvard Medical School**, Boston MA.
- December, 2018 Movie Theatre Popcorn Pricing, the Physician's Hippocratic Oath, and Health Care Innovation. **Waseda University**, Tokyo, Japan.
- December, 2018 Keynote speaker, Health Care Payment and Health Care Insurance Systems. **1st Asian Workshop on Econometrics and Health Economics**, Kyoto, Japan
- December, 2018 Keynote speaker, Provider Payment. **1st Asian Workshop on Econometrics and Health Economics**, Kyoto, Japan
- December, 2018 Keynote speaker, Risk Adjustment and Risk Selection. **1st Asian Workshop on Econometrics and Health Economics**, Kyoto, Japan
- October, 2018 Movie Theatre Popcorn Pricing, the Physician's Hippocratic Oath, and Health Care Innovation. **Risk Adjustment Network**, Tel Aviv, Israel.
- October, 2018 Advanced Risk Adjusters and Predictive Formulas for ICD-10 Based Risk Adjustment. **Risk Adjustment Network**, Tel Aviv, Israel.
- May, 2018 Provider Agency, Health Care Innovation, Pricing, and Regulations, **European Health Economics Workshop**, Paris, France.
- May, 2018 Provider Agency, Health Care Innovation, Pricing, and Regulations, **Paris School of Economics**, Paris, France.
- May, 2018 Provider Agency, Health Care Innovation, Pricing, and Regulations, **Universidade Nova de Lisboa**, Lisbon, Portugal.

- May, 2018 Provider Agency, Health Care Innovation, Pricing, and Regulations, **Universitat Pompeu Fabra**, Barcelona, Spain.
- April, 2018 Provider Agency, Health Care Innovation, Pricing, and Regulations, **Public University of Navarra**, Pamplona, Spain
- March, 2018 Ten Strategies to Reduce HealthCare Spending by 50%, **University of Salamanca**, Salamanca, Spain
- March, 2018 Provider Payment, **Universitat Pompeu Fabra**, Barcelona, Spain
- March, 2018 Risk Adjustment and Risk Selection, **Universitat Pompeu Fabra**, Barcelona, Spain
- February, 2018 Health Care Payment and Optimal Insurance Systems, **Universitat Pompeu Fabra**, Barcelona, Spain
- February, 2018 Ten Strategies to Reduce HealthCare Spending by 50%, **GATE (Groupe d'Analyse et de Théorie Economique)**, Lyon, France
- November, 2017 Demand Elasticities and Service Selection Incentives among Competing Private Health Plans, **Boston College**, Boston MA
- September, 2017 Demand Elasticities and Service Selection Incentives among Competing Private Health Plans, **University of South Florida**, Tampa FL
- July, 2017 Risk Adjustment for Health Plan Payment, **International Health Economics Association**, 22nd World Congress, Boston MA
- July, 2017 (chair and panel organizer) The Affordable Care Act Past, Present and Future: Tense. **International Health Economics Association**, 22nd World Congress, Boston MA
- June, 2017 Estimation and Implementation of Risk Adjustment Models for Health Plan Payment, **Massachusetts Health Policy Commission**, Boston MA
- October, 2016 Demand Elasticities and Service Selection Incentives among Competing Private Health Plans, **Risk Adjustment Network**. Berlin, Germany.
- July, 2016 The US Health Care System, Recent Reforms, and Ten Strategies for Reducing US Health Care Costs by 50%. **Observatoire Européen de la Protection Sociale**, visiting French delegation, Questrom School of Business, Boston University
- June, 2016 Demand Elasticities and Service Selection Incentives among Competing Private Health Plans, **American Society of Health Economists**. Philadelphia, PA.
- May, 2016 Health Care Demand Elasticities by Type of Service. Nuffield College, **Oxford University**. UK.
- March, 2016 Health Care Demand Elasticities by Type of Service. **University of Chicago**, Harris School. Chicago IL.
- December 2015 An Iterative Approach to Estimation with Multiple High-Dimensional Fixed Effects: Controlling Simultaneously for Patients, Providers and Counties. **Annual Health Econometrics Workshop**, Honolulu HI.
- October 2015 Health Plan Type Variations in Spells of Health Care Treatment, **International Conference on Health Policy Statistics**, American Statistical Association, Providence RI.
- September 2015 Smart Data: Challenges for Health Economics, **Hospinnomics Conference**. Paris France.
- July 2015 Health Plan Type Variations in Spells of Health Care Treatment, **University of Bologna**, Bologna, Italy.
- June 2015 Health Plan Type Variations in Spells of Health Care Treatment, **International Health Economics Association (iHEA)**, Milan Italy.
- September 2014 What Have We Learned about Risk Sharing? **Hospinnomics Conference**. Paris France.

- September 2014 Lectures on Payments and Incentives from the US. **Monitor/National Health Service**, London, UK.
- September 2014 Variation in Pricing, Treatment, Coding Intensity and Patient Severity in Spells of Health Care Treatment. **Risk Adjustment Network**, Delft, Netherlands.
- June 2014 Variation in Pricing, Treatment, Coding Intensity and Patient Severity in Spells of Health Care Treatment. **American Society of Health Economists**, Los Angeles CA.
- June 2014 “Good-Enough” Risk Adjustment Models for Physician Payment and Performance Assessment. **American Society of Health Economists**, Los Angeles CA.
- February 2014 Comparisons of Health Insurance Systems in Developed Countries. **Boston University School of Law**.
- December 2013 “Good-Enough” Risk Adjustment Models for Physician Payment and Performance Assessment. **Dartmouth Institute for Health Policy & Clinical Practice**. Dartmouth University, Hanover NH.
- July 2013 Risk Selection, Risk Adjustment and Choice: Concepts and Lessons from the Americas. **International Health Economics Association**, Sydney, Australia
- July 2013 Uncertainty and the Welfare Economics of Medical Care: Kenneth Arrow 50 Years On. **International Health Economics Association**, Sydney, Australia
- November 2012 Risk Selection, Risk Adjustment and Choice: Concepts and Lessons from the Americas (plenary presentation). **Fifth Congress on the Economics of Health in Latin America and the Caribbean**. Montevideo, Uruguay
- October 2012 Competition, Incentives and Regulation in Health Insurance Markets (plenary presentation). **Korean Insurance Research Institute (KIRI)**, Seoul, Korea.
- July 2012 Explaining Health Care Expenditure Variation: Large Sample Evidence Using Linked Survey and Health Administrative Data. **Risk Adjustment Network**, Lucerne, Switzerland.
- June 2012 Five Questions for Health Economists (Presidential address). **American Society of Health Economists**, University of Minnesota, Minneapolis, MN
- June 2012 Explaining Health Care Expenditure Variation: Large Sample Evidence Using Linked Survey and Health Administrative Data. **American Society of Health Economists**, University of Minnesota, Minneapolis, MN
- May, 2012 Payments in Support of Effective Primary Care for Chronic Conditions. **Nordic Economic Policy Review Conference**, Reykjavik Iceland
- January, 2012 Bending the Cost Curve? Results from a Comprehensive Primary Care Payment Pilot. **Allied Social Sciences Association, Health Economics Research Organization**, Chicago, IL
- July, 2011 Risk-Based Bonus Payments for the Patient-Centered Medical Home. **International Health Economics Association**, Toronto, Canada
- May, 2011 Recent Payment Innovations from the US Affecting Health Care Costs and Quality. **Department of Health and Ageing**, Canberra, Australia
- April, 2011 Does Service-Level Spending Show Evidence of Selection Across Health Plan Types? **University of Sydney**, Australia
- March, 2011 Does Service-Level Spending Show Evidence of Selection Across Health Plan Types? **University of Melbourne**, Australia
- March, 2011 Bending the Cost Curve? Results from a Risk-Adjusted Payment Model for a Patient-Centered Medical Home. Melbourne Institute, **University of Melbourne**, Australia
- March, 2011 Bending the Cost Curve? Results from a Risk-Adjusted Payment Model for a Patient-Centered Medical Home. **Department of Health and Ageing**, Canberra, Australia

- March, 2011 Bending the Cost Curve? Results from a Risk-Adjusted Payment Model for a Patient-Centered Medical Home. **University of Technology Sydney**, Australia
- February, 2011 Risk-Adjusted Bundled Payment for a Patient-Centered Medical Home Office of Research, Development and Information. **Centers for Medicare and Medicaid Services**, Baltimore MD.
- February, 2011 Bending the Cost Curve? Results from a Risk-Adjusted Payment Model for a Patient-Centered Medical Home. School of Economics, **University of New South Wales**, Sydney Australia.
- November 2010 Bending the Cost Curve? Results from a Risk-Adjusted Payment Model for a Patient-Centered Medical Home. Department of Health Services Research, **Boston University School of Public Health**
- November 2010 Bending the Cost Curve? Results from a Risk-Adjusted Payment Model for a Patient-Centered Medical Home Department of Health Care Policy. **Harvard Medical School**
- October 2010 Blueprint for a Patient-Centered Medical Home Payment Model. Department of Health Care Policy, **Harvard Medical School**
- September 2010 Risk-Adjusted Bundled Payments for Primary Care. Risk Adjustment Network conference, **Berlin Germany**
- September 2010 Recent Risk Adjustment Developments in Public Systems in the US. Risk Adjustment Network conference, **Berlin Germany**
- June 2010 Risk-Adjusted Bundled Payment for Primary Care. **American Society of Health Economists (ASHEcon)**, Cornell NY
- May 2010 Risk Adjusting Panel Performance Measures. **Group Practice Improvement Network**, (Internet presentation)
- April 2010 Risk-Adjusted Bundled Payments for Primary Care. **Harvard University**, Kennedy School of Government.
- January 2010 Bundled payments to primary care physicians using a risk-adjusted Primary Care Activity Level (PCAL) model. **International Conference on Health Policy Statistics**, American Statistical Association, Washington DC.
- November 2009 For what should primary care practitioners be paid? The Primary Care Activity Level (PCAL). **Prospective payment and health care provision conference**, Barcelona, Spain.
- August 2009 Comprehensive Payment Systems for Primary Care (plenary speaker). **Nordic Health Economics Study Group**, Reykjavik Iceland.
- July 2009 Bundling, risk adjustment, and provider payment systems. **International Health Economics Association (iHEA)**, Beijing, China
- March 2009 Health insurance, cost expectations, and job turnover. **Case Western Reserve**, Cleveland, OH.
- January 2009 Lessons from Recent German Health Care Reforms. **American Economics Association (AEA)/Chineses Economics Association (CEANA)**, ASSA, San Francisco CA.
- October 2008 Regulation of Health Insurance Markets: Risk Adjustment and Risk Selection. **First Congress of the Colombian Health Economics Association**, Bogota, Colombia
- September 2008 A Payment Model for Massachusetts Primary Care Reform. **Actuaries Club of Boston**, Boston MA
- June, 2008 Risk adjustment for payment and quality measurement. **American Society of Health Economists (ASHE)**, Durham NC.
- June, 2008 Prevention and Dynamic Risk Adjustment. **American Society of Health Economists (ASHEcon)**, Durham NC.

- May, 2008 Global update on risk adjustment and predictive models. **International Actuaries Association**, Health Section, Boston MA.
- March, 2008 Optimal health insurance for multiple goods and time periods. **Annual Meeting of the Swiss Society of Economics and Statistics**, Lausanne, Switzerland.
- March, 2008 Risk adjustment and predictive modeling: Concepts and applications. **Risk Adjustment Network**, Dublin, Ireland.
- January 2008 Optimal health insurance for multiple goods and time periods. **Allied Social Sciences Association, American Society of Health Economists**, New Orleans, LA.
- October 2007 Health Care Delivery: Does It Improve Health Status? (panelist). **The World Bank**, Commission on Growth and Development, Washington DC.
- July 2007 Optimal insurance with prevention and multiple health goods. **International Health Economics Association (iHEA)**, Copenhagen, Denmark.
- May 2007 Optimal insurance with prevention and multiple health goods. **Harvard University**, Boston MA.
- April 2007 Does service-level spending show evidence of selection across health plan types? **Harvard University**, Kennedy School, Cambridge MA.
- October 2006 Provider payment methods and incentives. **The World Bank**, Washington DC.
- October 2006 Risk adjustment in health care markets: Concepts and Applications. **University of Saskatoon**, Saskatchewan, Canada.
- September 2006 Risk adjustment in health care markets: Concepts and Applications. **Suffolk University**, Boston MA.
- September 2006 Risk adjustment in health care markets: Concepts and Applications. **International Conference on Health Care Financing**. Banff, Alberta Canada.
- June 2006 Risk adjustment and predictive modeling. **American Society of Health Economists (ASHE)**, Madison WI.
- April 2006 Health Insurance, Expectations, and Job Turnover. **University of Chicago**, Harris School
- October 2005 Risk Adjustment and Predictive Modeling. **American Statistical Association**, Boston MA
- July 2005 Selection and Choice in the US Medicare Prescription Drug Improvement and Modernization Act of 2003. **International Health Economics Association (iHEA)**, Barcelona, Spain
- July 2005 Risk Adjustment and Predictive Modeling. **International Health Economics Association (iHEA)**, Barcelona Spain
- July 2005 Health Insurance, Expectations, and Job Turnover, **International Health Economics Association (iHEA)**, Barcelona Spain
- January 2005 Predictability and Predictiveness in Health Care Spending. **RTI international**, Waltham MA
- July 2004 Health Insurance, Expectations, and Job Turnover. Economic Research Initiative on the Uninsured, **University of Michigan**
- June 2004 Predictability and Predictiveness in Health Care Spending. **Economic Society of Australia**, Sydney, Australia
- June 2004 Risk adjustment in health financing: Ensuring equity. **New South Wales Department of Health and Ageing**. Sydney, Australia.
- May 2004 Risk Selection, risk adjustment, selection, risk adjustment, and risk sharing: Lessons from Europe and the Americas. **Victoria University of Wellington**, New Zealand

May 2004	Predictability and Predictiveness in Health Care Spending. University of Auckland , Auckland, New Zealand.
May 2004	Using Fuzzy Diagnoses for Risk Adjustment. University of Adelaide , Australia.
May 2004	Predictability and Predictiveness in Health Care Spending. University of South Australia , Adelaide Australia.
May 2004	Predicting pharmacy costs and other medical costs using diagnoses and drug claims. Australian Institute of Health and Welfare . Canberra, Australia
April 2004	Predictability and Predictiveness in Health Care Spending. Sydney University ,
March 2004	Predictability and Predictiveness in Health Care Spending. University of Technology Sydney , Centre for Health Economics Research and Evaluation, Sydney Australia.
January 2004	Health insurance, expectations, and labor market turnover. University of New South Wales , Sydney Australia.
November 2003	Risk adjustment in health financing: Ensuring equity. Australian Government Department of Health and Ageing , Canberra, ACT Australia
November 2003	Risk adjustment in health financing: Ensuring equity. Association for Health Services Research of Australia and New Zealand . Melbourne, Australia.
November 2003	Risk selection, risk adjustment, selection, risk adjustment, and risk sharing: Lessons from Europe and the Americas. Association for Health Services Research of Australia and New Zealand . Melbourne, Australia.
November 2003	Risk adjustment in health financing: Ensuring equity. Victoria Government Department of Human Services . Melbourne, Australia.
November 2003	Predictability and Predictiveness in Health Care Spending. Boston University School of Public Health , Boston MA
October 2003	Risk selection, risk adjustment, and risk sharing: lessons from Europe and the Americas. University of Essen , Essen, Germany
July 2003	Risk Adjustment in the US Medicare Program. AcademyHealth , Nashville, TN.
July 2003	New Uses of Diagnosis-Based Risk Adjustment. AcademyHealth , Nashville, TN.
June 2003	Risk selection, risk adjustment, and risk sharing: lessons from Europe and the Americas. International Health Economics Association San Francisco CA
June 2003	Risk selection, risk adjustment, and risk sharing: lessons from Europe and the Americas. RTI International , Waltham MA
April 2003	Use of MEDSTAT MarketScan Data to develop models that identify high cost and high resource use individuals. Massachusetts Health Data Consortium Boston MA
April 2003	Predictability and Predictiveness in Health Care Spending. University of Montreal , Montreal, Canada
February 2003	Health Plan Entry and Exit in the Medicare Managed Care Market. Harvard University, Kennedy School of Government , Boston MA
January 2003	Predictability and Predictiveness in Health Care Spending. American Economic Association , Washington DC.
April 2002	Using Fuzzy Diagnoses for Risk Adjustment. Case Western Reserve University , Cleveland Ohio
March 2002	Using Fuzzy Diagnoses for Risk Adjustment. Taiwan National University , Taipei Taiwan
March 2002	Using Fuzzy Diagnoses for Risk Adjustment. Hong Kong University of Science and Technology , Hong Kong, China

- March 2002 Using Diagnoses for Risk Adjustment and Risk Assessment. **Bureau of National Health Insurance**, Taipei, Taiwan
- October 2001 DCGs and Mental Health. **Department of Veteran's Affairs**, Bedford MA
- September 2001 Co-Organizer, Industrial Organization of Health Care, Plymouth NH
- July 2001. Predictability and Predictiveness. **Third Biennial International Health Economics Association (iHEA) conference**, York, England
- June 2001 Hospital payment in the United States: An overview and discussion of current policy issues. At international conference entitled "Disease-based payments: the Foreign Experience" **DREES, Paris France**.
- May 2001 Death Spirals, Switching Costs, and Health Premium Payment Systems. **University of Minnesota**, School of Public Health.
- March 2001 Risk Adjustment and Disease Burden Assessment, **University of North Carolina**, School of Public Health.
- March 2001 Death Spirals, Switching Costs, and Health Premium Payment Systems. **University of North Carolina**, Department of Economics,
- February 2001 Death Spirals, Switching Costs, and Health Premium Payment Systems. **BU/Harvard/MIT Health Economics Seminar**, Boston University.
- December 2000 Understanding HCFA's Implementation of the PIP-DCG model. **Institute for International Research**. Orlando Florida.
- October 2000 Risk Adjustment and Disease Burden Assessment, **University of Alabama at Birmingham**, School of Public Health, Lister Hill Center for Health Policy.
- September 2000 Hospital Payment. Conference on Health Care Payment Reform, **University of Aix- Marseille 2**, France.
- September 2000 How Profitable is Risk Selection? A Comparison of Four Risk Adjustment Models. **GREQAM, University of Aix-Marseille 2**, France.
- August 2000 Test statistics in linear risk adjustment models. **Northeast Regional Health Economics Conference**, cosponsored by the Department of Veterans Affairs, and Boston University School of Public Health, Newport RI.
- July 2000 Implementing the DCG model for the Veteran's Population. conference on risk adjustment, **Department of Veteran's Affairs**, Washington DC.
- June 2000 The Revised DCG/HCC risk adjustment model. **Health Care Financing Administration**, Baltimore MD.
- June 2000 State of the State's Health Care. Panelist, **Massachusetts Medical Society**, Waltham MA. (*Comments published in summary proceedings of the Conference.*)
- May 2000 Death Spirals and Health Premium Payment Systems. **Brown University**, Department of Economics, Providence MA.
- January 2000 Formal Risk Adjustment by Private Employers. **conference on Formal Risk Adjustment**, Cosponsored by Boston University, Agency for Healthcare Research and Quality, and Management Sciences Group, Department of Veterans Affairs, Boston MA.

HONORS, SCHOLARSHIPS, AND FELLOWSHIPS

- 2024 Victor R. Fuchs Award for Lifetime Contributions to the Field of Health Economics, American Society of Health Economists
- 2013 Templeton Award for Excellence in Student Advising, BU College of Arts and Sciences
- 2012 Research and Educational Foundation Health Care Research Award Finalist, National Institute for Health Care Management, best article in 2011
- 2008 Research and Educational Foundation Health Care Research Award, National Institute for Health Care Management: Best article of the year (co-recipient)
- 2008 Health Services Research Impact Award, for body of work on Risk-Based Predictive Modeling
- 1991 Research Fellowship, Department of Veteran's Affairs
- 1988 Administrator's Citation, Health Care Financing Administration
- 1987-89 New Investigator Research Award, National Institute of Mental Health
- 1982 National Science Foundation Research Contract No.SES-8208669
- 1978 Research Fellowship, Federal Reserve Bank of Boston
- 1976 Summa cum laude with distinction in major (economics)
- 1976 William H. Massee award in Economics
- 1975 Phi Beta Kappa

EDITORIAL POSITIONS

- 2013-21 Associate Editor, [American Journal of Health Economics](#)
- 1989-19 Associate Editor, [Journal of Health Economics](#)
- 2006-13 Editorial Board, [Berkeley Economic Journals in Economic Analysis and Policy](#)

PROFESSIONAL ASSOCIATIONS

- 2004- Risk Adjustment Network, US Country Coordinator
- 2004- American Society of Health Economists (ASHEcon)
- 1996- International Health Economics Association (iHEA)
- 1981- American Economic Association
- 1988-03 American Public Health Association

1988-10 AcademyHealth (formerly Association for Health Services Research)

1986-03 Health Economics Research Organization

1981-91 International Association of Energy Economists
